May 13 1943 Dear Gottlieb: one umpire for Sunday. I let Frank have one of my local men for New York. I am sure The Polo Grounds is our best bet for the 50th. Our railroad fares for this trip south was \$264.00 not counting taxis to and from stations, and going to Newport News. The weather has been bad to. Things look very good for Sunday. I am sure the exibition with The Grays did not hurt us. Very Truly Yours
